Musimy żeglować czasem z wiatrem, czasem pod wiatr, ale żeglować,  
nie dryfować ani stawać na kotwicy.

**Myśl. Wierz. Marz. Miej odwagę.**

Dwie różne, zwykłe kobiety o niezwykłych zamiłowaniach ... połączyła nas wspólna pasja tworzenia niepowtarzalnych rzeczy... Doskonale rozumiemy potrzebę piękna i niepowtarzalności, którą przekształcamy w nieprzeciętny design intrygujących lamp, abażurów, poduszek, tkanin i innych dodatków domowych. Cały proces tworzenia i produkcji tych wyrobów odbywa się w naszej firmie, zgodnie z hasłem „Produkujemy w Polsce!”. Unikalne faktury, wyszukane dodatki, niezwykle połączenia kolorystyczne, nowoczesność, funkcjonalność i komfort....to przymioty, którymi charakteryzują się nasze produkty . . .

We have to sail with the wind, sometimes against it, but we have to  
carry on, we shouldn't drift or anchor.

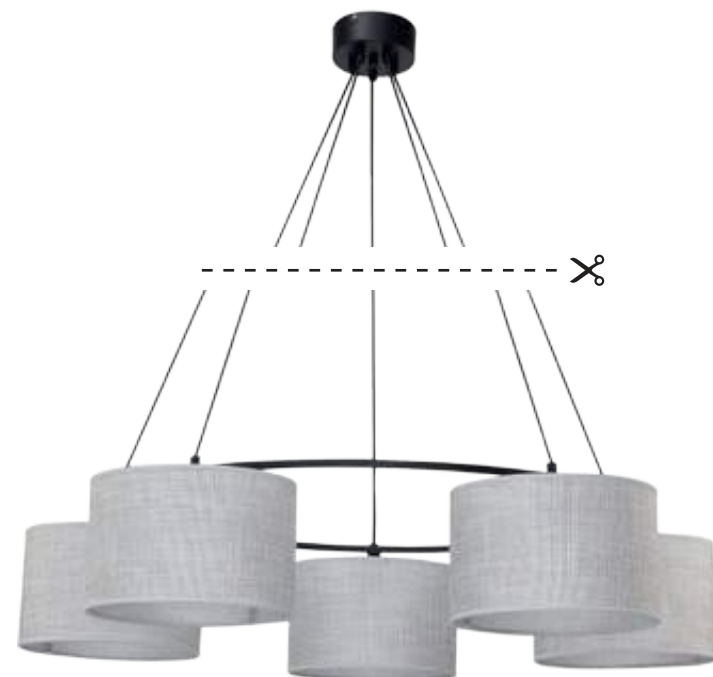

**Think. Believe. Dream. Be brave.**

Two different, ordinary women with exceptional hobbies... we got together thanks to our common passion for creating unique things... We understand the need of beauty and uniqueness which we turn into exceptional design of intriguing lamps, lampshades, cushions, fabric and other home accessories. The whole process of creating and producing our goods takes place in our firm, following the motto "We produce in Poland!" Unique textures, sophisticated accessories, unusual colour matching, modernity, functionality and comfort...these are characteristic features of our products...
